WHAT DOES ‘LAS FUNDED’ MEAN?

The computers listed as ‘LAS Funded’ fall within LAS cost and performance specifications, and will be fully funded by the college for Faculty and Staff which are 100% dedicated to LAS. For those faculty who have partial appointment to another college, the amount will be prorated based on your percentage of salary paid by LAS. Please contact your department IT support person with any questions.

ENHANCED REPLACEMENT PROCESS

LAS IT has enhanced the computer replacement process to create a smoother workflow, and fewer options to navigate.

These choices represent standard hardware and software configurations which will ensure performance, security, and reliability of your computer upon delivery, and for years to come.

Please review this catalog and consult with your department IT support personnel to ensure you receive the right computer for your job.

LAS FUNDED

THIN CLIENT OPTIONS

Powerful and secure All-in-One Zero Client: Wyse 5040 AIO

ULTRA SECURE

- Thin clients greatly reduce the risk of virus, spyware, and hacking because all the data, storage, and memory are stored at the central data center.

CONVENIENT

- Users can easily utilize the latest OS and software installed on the server, without the need for local upgrades.
- Session is saved and can be accessed from multiple devices, including off campus.
- All-in-one option with wired keyboard & mouse allows for a clean desk.

ECO-FRIENDLY COMPUTING

- Reduce computing system building, maintenance, and energy costs.

MONITOR

- LED backlight technology takes 1920 X 1080 Full HD to new heights with exceptional contrast ratios and brightness levels yet is very energy efficient
- 178 degree wide viewing angle
- Pivot & Tilt
- Capable of watching videos and performing 3D modeling

KEY FEATURES

- Built-in speakers
- Six 2.0 USB inputs

ALSO INCLUDES

- Wired Keyboard / Mouse
- Additional 22” Monitor
